

## Security Submittal / As-Built Drawings

**Access Control Submittal / As-Built Drawings** – these drawing packages are priced ala cart based on the criteria mandated by the user or security consultant. For submittal drawings, the base fee is always included, and typical packages have a riser/one-line diagram, device layout floor plans, panel hook-up diagram, panel layout with point-to-point information, and associated details of devices being installed. As-built drawings are estimated at 20% of the submittal cost or priced at \$75 per hour to turn the submittal drawings into as-built drawings based on mark-ups provided of changes made in the field during installation.
